If an employee is scheduled to clerk calendared matters, the employee must arrive at work no later than fifteen minutes prior to the commencement of court. Failure to comply with this provision may result in rescission of flex time approval.

**D. Request for Flex Time**

Each request for flex time must be in writing and will be analyzed by the employee's division manager to determine its impact on (1) the division's ability to provide services to the public; (2) the division's ability to provide office and courtroom support; and (3) individual safety considerations. A request will not be granted if it interferes with the normal course of the Court's business or with an employee's ability to satisfactorily perform their duties.

**E. Request for Modification**

Requests for modification of flex hours must be made in writing to the division manager.

**F. Suspension of Flex Time**

Flex time is suspended on organizational and divisional staff meeting and/or training days.

## **ARTICLE 7– APPEARANCE STANDARDS**

### **7.01 General Statement**

Employees of the Court are expected to dress professionally. Since litigants and the public view Court employees as role models, employees should project both a professional image and demeanor. This is important **regardless** of an employee's assignment since the employees represent this Court and many times, they may be the only contact a person may have with the Court.

### **7.02 Expectation**

Employees are expected to maintain an appearance that is businesslike, neat and clean and that does not constitute a safety hazard as determined by the requirements of the area in which they work. Management may authorize exceptions on a day-to-day basis based upon particular assignments and may allow occasional "casual days" when appropriate.

### **7.03 Policy Revisions**

With the shared goal of establishing reasonable appearance standards that may be more consistently enforced by the Court, the Court and Union agree to meet and confer over policy changes.

## **ARTICLE 8 – COMPENSATION**

### **8.01 Salary Adjustments**

Salary adjustments are made to Step A, also identified as the Article 9 base rate. Step pay schedules for Steps A-E for each classification are shown in Appendix A of this MOU.

- A. Effective January 1, 2024, the base salary of all represented classifications shall increase by 5%.
- B. Effective January 1, 2025, the base salary of all represented classifications shall increase 4%.
- C. Effective January 1, 2026, the base salary of all represented classifications shall increase by 4%.

Additionally, all represented classifications shall receive one lump-sum payment of \$1,000 within two weeks of the ratification of a successor MOU to the MOU expiring December 31, 2023. The lump-sum payment shall be subject to taxes and withholding as required by law.

### **8.02 Union Notification**

The Court shall give the Union seven calendar days to review and respond to newly created or modified job descriptions, position allocations and salary adjustments related to such changes.

### **8.03 Payment of Compensation**

The court pay period is established as monthly.

Employees will be paid once a month, on the 5<sup>th</sup> workday of each month, not including holidays, for the previous pay-period month, but no later than the 8<sup>th</sup> of each month. If the 8<sup>th</sup> falls on a weekend or holiday, pay day will be the work day prior to the weekend or holiday. The compensation and leave accruals for part-time employees will be in proportion to full-time and reflect the employee's scheduled working hours.

Leaves of absence without pay will result in a reduction of compensation based upon the actual hours or fraction (.25 hours) thereof, during which the employee is in a non-paid status.

### **8.04 Salary Determination**

All non-exempt employees shall be compensated on an hourly basis and shall receive overtime when eligible as referenced in Article 10 – Overtime and Comp Time.

## **ARTICLE 9 – PROCEDURES FOR LONGEVITY INDEX**

### **9.01 Salary Based upon Longevity**

A regular employee's salary will be determined based upon years of service to the Court. The salary schedule for each classification in the bargaining unit is shown in Appendix A.

**9.02 Salary Determination or Adjustments**

Unless specifically stated otherwise, employees hired on or before December 31, 2016, will have their salary determined or adjusted by multiplying the base rate for their classification, as specified on the Court’s salary schedule, by the index rate on the table below as determined by their service computation date (SCD), consistent with the applicable sections of this Article.

<b>LONGEVITY INDEX for Employees hired on or before December 31, 2016:</b>				
<b>Number of Years' Service</b>	<b>Index Rate</b>		<b>Number of Years' Service</b>	<b>Index Rate</b>
Less than 1	1.0000		21	1.4550

19	1.4250			
20	1.4400			

Unless specifically stated otherwise, employees hired on or after January 1, 2017, will have their salary determined or adjusted by multiplying the base rate for their classification, as specified on

the Court's salary schedule, by the index rate on the table below as determined by their service computation date (SCD), consistent with the applicable sections of this Article.

LONGEVITY INDEX for Employees hired on or after January 1, 2017:				
Number of Years' Service	Index Rate		Number of Years' Service	Index Rate
Less than 1	1.0000		25	1.5150

5	1.2160			
10	1.2900			
15	1.3650			
20	1.4400			

**9.03 To Determine an Employee's Monthly Salary**

- A. Determine the number of years of service an employee has completed based on their SCD.
- B. Refer to the "Number of Years' Service" column; go to the number of years of service that an employee has completed and locate the "Index Rate" immediately to the right.
- C. Refer to the Court's salary schedule and find the current title of the employee's position. Multiply the corresponding index rate by the base rate for the employee's classification.
- D. Round up to the nearest whole dollar.

**9.04 To Determine an Employee's Hourly Rate**

- A. Determine the Monthly Salary from above.
- B. Take the Monthly Salary and multiply it by twelve months.
- C. Divide the total by 2,080 average work hours in a year.
- D. Use standard rounding to the nearest whole penny.

### **9.05 Service Computation Date (SCD) and Index Rate Determination**

A regular employee's SCD determines their index rate. The SCD is computed by adjusting the employee's current hire date for any qualifying prior service with either Yuba County or a California trial court ([see Section 9.07](#)), and adjust for any leave without pay (LWOP.) The employee's SCD does not affect or determine their probationary period or when the employee receives performance evaluations.

### **9.06 Salary Anniversary Date (SAD) For Longevity Index Rate Adjustments**

#### **A. Salary Anniversary Date**

The employee's SAD will be the first day of the month during which their SCD occurs (instead of hire date.)

#### **B. Longevity Index Increases**

Longevity Index increases will occur automatically on the employee's SAD.

### **9.07 Prior Service**

#### **A. County Service**

For Court employees hired prior to December 1, 2014 who have previous work history in a Yuba County department who previously either transferred or were hired off a list will receive prior service credit for their time worked for the County. The prior service credit will be the total number of calendar days between a current employee or applicant's previous hire date and termination dates with Yuba County as a regular employee.

#### **B. California Trial Court Service**

The Court recognizes the benefit in having employees with qualifying prior California trial court experience. In order to acknowledge and reward employees who have such service, the Court established a Prior Court Service Policy for permanent full-time or part-time employees. The Court's acceptance of an employee's prior service will not impact a probationary period or evaluation date.

##### **1. Qualifying Service Credits**

The Court will recognize and credit qualifying prior work experience acquired in a California trial court, whether the service was full-time, part-time, or extra help, for purposes of calculating an employee's longevity adjustment and vacation accrual. For other than full-time prior employment, time will be calculated on an hourly basis but will be credited only in increments of full, eight-hour days. (For example, if an employee has 244 hours of qualifying prior service credit, the 244 hours will be divided by 8 and the employee will be credited with 30 days.)

**2. Application Time Restrictions**

- a. An individual who has been offered employment with the Court may request credit for prior service prior to their actual start date, but no later than thirty days from their date of hire, using the Court's Application for Prior Service Credit form.
- b. In the discretion of the Court Executive Officer, this deadline may be extended for an additional thirty days on a case-by-case basis.
- c. Recognition and credit for qualifying prior court service will begin on the 1<sup>st</sup> day of the month following the Court's acceptance of such service.

**3. Documentation**

To apply for prior service credit, an employee must complete the Court Application for Prior Service Credit form and attach to it verification of prior qualifying service. Verification of prior service may be in the form of pay stubs, verification of employment notice, or other official communication from the previous California trial court employer. The completed application form and documentation must be submitted to the Court Executive Officer within the timelines set forth above.

**9.08 Leave With Out Pay (LWOP)**

LWOP will be computed as follows:

**A. Effective January 1, 2004**

Each accumulated eight-hour increment of LWOP (excluding non-scheduled work days and weekends) will reduce an employee's SCD by one day.

**B. Prior to January 1, 2004**

For LWOP prior to January 1, 2004, the granting of any leave of absence without pay exceeding fifteen (15) calendar days shall cause the employee's SAD to be postponed (moved forward) a number of months equal to the nearest whole number of months for which the leave was taken. All such calculations shall be based on the number of calendar days of such leave.

**9.09 Salary upon Promotion or Demotion**

When an employee is promoted or demoted to a classification with a different Base Rate the employee will have their salary adjusted by multiplying the Base Rate for their new classification as specified on the Salary Schedule, by the Index Rate as determined by their Service Computation Date (SCD), unless the employee is Y-rated in accordance with Section 9.10.

**9.10 "Y-rated" Salary**

**A. Reclassification**

An employee shall be eligible for a Y-rate when they are reclassified as a result of a management-initiated classification or compensation study to a classification with a lower base rate that is more than ten percent (10%) lower than the employee's classification. The employee's salary (i.e. current base rate when

multiplied by their longevity index rate at the time of reclassification) will be Y-rated (or frozen). The Y-rated salary will not be subject to any change due to a general salary increase or an increase in the employee's longevity index rate. The Y-rated salary will remain in place for a maximum of two years or until the Y-rated salary no longer exceeds the salary determined by multiplying the base rate of the employee's classification by their longevity index rate, whichever first occurs.

**B. Y-rate Removal**

The Y-rate will be removed under the following circumstances:

**1. General Increase/Index Rate Advancement**

A general salary increase and/or change in the employee's longevity index rate, such that when applied to the base rate of the employee's classification it equals or exceeds the employee's Y-rated salary.

**2. Promotion to Higher Class**

The employee promotes to a position with a higher base rate, such that when the employee's current longevity index rate is applied, their salary is equal to or exceeds the employee's Y-rated salary.

**3. Two Year Maximum**

Upon reaching the maximum two year period following the date on which it was applied, as allowed in Section 9.10 (A), the employee's salary will be adjusted to the current salary and longevity index rate in accordance with Sections 9.02 and 9.03 of this Article.

**C. Effect on SCD and SAD**

The employee's Salary Computation Date (SCD) and their Salary Anniversary Date (SAD) will not be affected by the application and/or removal of a Y-rate.

**D. Applicability**

Y-rates will not apply to:

1. Demotions that are a result of a disciplinary action.
2. Voluntary demotions or transfers.

**9.11 Salary Upon Reclassification**

**A. No Change**

When a reclassification results in no change to the base rate of the classification, there will be no change to the employee's salary.

**B. Higher Class**

If a reclassification results in an employee's position being assigned to a classification having a higher base rate of pay, their salary shall be determined consistent with Section 9.09.

**C. Lower Class**

If a reclassification results in an employee's position being assigned a lower classification having a lower base rate of pay, the employee's salary shall be determined consistent with Section 9.09, unless the employee is Y-rated in accordance with Section 9.10.

# ARTICLE 10 – OVERTIME AND COMP TIME

## 10.01 Overtime

### A. Overtime Work Defined

#### 1. 40-Hour Work Period

Overtime work shall be defined as all work specifically authorized by Court management that is performed in excess of 40 hours per week.

- a. Time worked beyond the official 40 hour work week shall not be considered overtime unless it has been specifically ordered or authorized by Court management. In sudden emergency situations when prior authorization for overtime is not possible, the approval of the Court Executive Officer shall be sufficient.
- b. Overtime earned shall be rounded up or down to the nearest quarter ( $\frac{1}{4}$ ) hour worked.

#### 2. Time Worked Calculation

The following shall be counted as time worked for purposes of computing overtime:

- a. Actual hours worked
- b. Sick Leave
- c. Holidays (including Floating Holidays)
- d. Compensatory time off (CTO) used during the week.
- e. Special provisions as described in this Article.

#### 3. Application of Paid Vacation

Time spent on paid vacation shall not be counted as time worked for purposes of computing overtime except:

- a. When an employee is required to work overtime for an emergency situation after taking a scheduled vacation in that work week, that vacation time shall be counted as time worked for overtime purposes in that week.
- b. When an employee is called off vacation for a Court-wide declared emergency resulting from a natural disaster.
- c. When an employee is called in to work on a regular day off.

### B. Application of Overtime

#### 1. Overtime Work

If, in the judgment of Court management, work beyond the official 40 hour work week is required, a court manager may order such overtime work. This overtime work will be compensated for as provided in this section. The Court will make a good faith, reasonable effort to identify overtime opportunities for those employees capable of performing the work with

minimal direction. The Court will make a good faith, reasonable effort to assign overtime work equitably among all qualified employees. In the assignment of overtime under this provision, Court management may consider special skills required to perform particular work.

Notwithstanding the above:

- a. If the responsible manager/supervisor determines that overtime is necessary on work that started on an assigned shift, the assigned employee(s) may continue with that work as an extension of the assigned shift.
- b. When assigning overtime, the Court will give first consideration to those employees who are currently assigned to the job.

## **2. Counting Overtime / Comp Time**

Time worked as overtime shall not be counted as service time for purposes of employee benefits, eligibility or accrual or early completion of probationary period or for longevity increases. Compensatory time off taken by an employee may be used as part of the established work week to earn employee benefits and to serve out probation and longevity increase periods.

## **3. Limitation on Hours Worked**

No permanent or probationary or limited term employee may be employed in one or more positions, full-time or part-time, more than a total of 40 hours per week, except for authorized overtime, unless authorized by the Court. Nothing in this section shall preclude an employee from temporarily serving in another capacity in the event of an emergency, provided the employee has the approval of their manager.

## **4. Application of Comp Time**

Except as otherwise provided in this section, an employee who works compensable overtime shall be paid or given compensatory time off at the discretion of Court management for such compensable overtime at the rate equal to one and one-half times the hourly equivalent of such employee's monthly salary as of the time that the overtime was worked.

## **C. Overtime Payment**

### **1. Overtime Compensation Rate**

Employees are assigned FLSA Non-Exempt status. Non-Exempt employees shall be compensated for overtime at one and one-half times their regular rate of pay, or comp time off at one and one-half times the hours actually worked, in excess of 40 hours per week. Courtroom overtime is paid in cash compensation. However, if the employee wishes to receive compensatory time off (CTO) credit for courtroom overtime, the employee must designate such preference on the applicable timesheet.

**2. Work in Excess of Twelve Hours**

If a Court employee is required to work in excess of twelve hours, the employee will be compensated at the rate of two times their normal hourly rate of pay for all hours worked in excess of the normal eight hour workday.

**10.02 Compensatory Time Off**

**A. Use of Compensatory Time Off**

**1. Written Approval**

The Court Executive Officer shall determine the period when accrued compensatory time off may be taken by each employee consistent with the needs of the department. Managers must give prior approval in writing before compensatory time off may be granted.

**2. Denial of Request**

Denial of an employee's request for use of compensated time off must be based on business necessity.

**3. Last Day of Work**

Employees who are terminating their employment for reasons other than Court retirement (with no other employment) shall not use comp time as their termination date (e.g. requesting comp time to begin March 7 while actual termination date is March 13, etc.).

**B. CTO Minimum Charge**

CTO must be taken in at least one quarter (1/4) hour increments.

**C. CTO Maximum Accruals**

At no time shall compensatory time off (CTO) carried by an employee be more than 80 hours unless otherwise indicated in this article. When the CTO balance reaches the maximum and the department cannot let the employee off, the Employee shall be paid for all hours over the maximum.

**10.03 Cash Compensation**

**A. Separation of Employment**

Any employee separating from Court service shall be paid for any existing CTO balance at the time of such separation at the hourly rate at which the employee is currently employed.

**ARTICLE 11 – BILINGUAL PAY**

**11.01 Qualification**

An employee is a “qualified bilingual employee” if the employee has taken and passed the Court qualifying language test in a language for which the Court has determined there is a regular and recurring need for bilingual language skills. If the Court determines a need for bilingual skills in

a language for which the Court does not have a qualifying language test, the Court will arrange for the employee to take a language test administered by the State.

**11.02 Premium Compensation**

Employees approved by the Court to use bilingual language, including American Sign Language, in the course of their duties shall receive a differential for only the hours the skill is utilized. Hours will be rounded to the nearest quarter hour. Employees must complete a monthly log showing the date, time, and matter for which the bilingual skill was used. Employees shall receive \$10.00 (ten dollars) per hour in addition to their regular hourly rate of pay. Premium compensation shall also be included when calculating the overtime hourly rate for any overtime hours earned.

**ARTICLE 12 – EDUCATION INCENTIVE PROGRAM**

**12.01 Education Incentive Program**

The Court encourages educational achievement to enhance services to the public by employing staff who are better equipped to meet the needs of the public.

**12.02 Eligibility**

All permanent and probationary full-time or part-time employees of the Court who are in good standing are eligible to participate in this program, as long as the degree is not a requirement for the employee’s position.

**12.03 Qualification Criteria**

In order to qualify, an eligible applicant must have attained an Associate of Arts or Science, a Bachelor of Arts or Science, or a Masters’ degree from an accredited college or university.

**12.04 Program**

**A. Award Amounts**

In recognition of an employee’s educational achievement additional salary shall be awarded as follows:

Degree	Salary Differential
Associates	2%
Bachelors (with Prior Associates Degree Credit)	2%
Bachelors (without Prior Associates Degree Credit)	4%
Masters	2%
Licensed Clinic Social Worker (LCSW), Licensed Marriage and Family Therapist (LMFT), Marriage and Family Therapist (MFT), or equivalent.	5%

- B. Limitation on Salary Differential**  
If an employee obtains a bachelors' degree and has not already received credit for an associates' degree, they will be awarded a 4% salary differential. However, if an employee was previously awarded a 2% salary differential for an associates' degree, then subsequently obtains a bachelors' degree, the employee will be awarded a 2% salary differential for the bachelors' degree.
- C. Salary Differential**  
The salary differential is calculated on the employee's base pay.
- D. Application of Salary Differential**  
The salary differential will be awarded to each qualifying employee once for each type of degree, i.e., an employee will receive a 2% pay differential for one associates' degree, regardless of how many associates degrees the employee has or may obtain in the future.
- E. Subsequent Application**  
Once an employee has officially qualified, no further application is required in subsequent years unless there is a change in the employee's qualification status or a break in service has occurred.

## **12.05 Procedure**

- A. Application Form**  
To apply for education credits, an employee must complete the Court Application for Education Credit form and attach to it satisfactory verification of such education.
- B. Submission of Form**  
The completed application shall be submitted to the Court Executive Officer or designee for review and approval.
- C. Expediency in Processing Application**  
The Court will make every effort, in processing the application, to ensure that if approved, the education credit salary increase will take effect for the first pay period following the application's submittal. However, the Court Executive Officer or designee, in their discretion, may extend the deadline to allow an employee additional time to provide supplementary documentation, if required by the Court.

## **ARTICLE 13 – TUITION REIMBURSEMENT**

### **13.01 Program Purpose**

The Tuition Reimbursement Program was established for the purpose of achieving the following objectives:

- A. Developing employee administrative, professional, technical, supervisory and management knowledge, skills and abilities;**

- E. Assisting in the development of more effective and efficient employer/employee relationships;
- F. Fostering and encouraging continuing education and training for Court employees resulting in more highly skilled, effective and efficient public service.

### **13.02 Program Funding**

A total of \$2,500 per year will be made available to fund the program. Due to limited program funding, employee participation shall be on a first-come, first-served basis and shall be available only for employees who are performing their jobs satisfactorily; however, the Court may consider allowing an employee who has performance issues to participate in the program if the course the employee is taking will likely result in an improvement in their performance.

### **13.03 Eligibility**

Regular full-time or part-time Court employees who meet all requirements and comply with all requisites and procedures of this program are eligible to participate. Probationary employees who have completed six (6) contiguous months of employment with the Court are eligible to submit an initial application for tuition reimbursement under this program. Probationary employees with fewer than six (6) contiguous months of employment are not eligible.

### **13.04 Qualifying Programs**

Financial assistance will be provided for eligible Court employees who enroll in an accredited college or university.

### **13.05 Program Criteria**

For eligible employees, this program will reimburse for college/university tuition, registration fees and books based on the following criteria:

Tuition, registration fees and book expenses will be reimbursed to a maximum of \$500 per employee per fiscal year.
- B. **Approval Required**  
Application for reimbursement must be submitted within one week from the date the employee becomes enrolled in the class or coursework.
- C. **Course Related to Employment**  
The course must be directly related to the employee's job and the employee must obtain a "C" average or better grade. A "Pass" is equivalent to a "C" average if the course is graded as "Pass" or "Fail". Coursework receiving a grade designation other than a letter grade or Pass/Fail *may* not be eligible under this program. It is the responsibility of the employee to provide the college/university's grade policy to the Court Executive Officer (CEO) or designee for determination of eligibility.

**D. Reimbursement and Other Restrictions**

**1. Duplication**

No reimbursement will be made for any course that duplicates available in-service training, or that duplicates training an employee has already had.

**2. Cost Defrayed by Other Agency**

No reimbursement will be made if an employee's education cost is being defrayed by another agency, such as the State or Federal Department of Veterans' Affairs.

**3. Failure to Complete Course**

If an employee fails to complete an approved course for any reason, no reimbursement will be made.

**4. No Paid Time for Course Work**

This program does not encompass granting paid time for education or travel time. Employees attending coursework during their regular work hours must use vacation, CTO or, upon Department Head approval, a flexible work schedule.

**5. Other Uncovered Costs**

This program will not pay for conventions, workshops, institutes or retreats, transportation or travel expenses, parking, toll fees, student body fees, (unless required for registration) lodging or meals.

**E. Determination of Course Eligibility**

Determination of course eligibility will be made by the employee's supervisor and the CEO or designee. Courses which may be part of a degree program but are not Court-related may be considered for reimbursement; however, the employee must declare a degree objective consistent with the mission and goal of the Court.

**13.06 Program Procedures**

The following procedures will be used by employees who are interested in participating in this program:

**A. Application for Approval**

**1. Application Form**

An application for reimbursement must be made on the approved form provided by the Court within one week from the date the employee becomes enrolled in the class or coursework. Review and a decision regarding approval or denial will be provided as soon as possible, which may not occur prior to the beginning of the course work beginning.

**2. Approval of Supervisor**

The completed form must be presented to the employee's supervisor who will review it, approve or deny it, and deliver it to the CEO or designee.

**3. Completion of Application**

All information required on the application form must be complete, including:

## **ARTICLE 14 – ASSIGNMENTS REQUIRING TRAVEL**

If a Court employee is required or authorized to travel in the course of their employment, they shall be subject to the terms, conditions and restrictions set forth in the Court's Travel Policies and Procedures in effect at the time of said travel.

## **ARTICLE 15 – BENEFIT PROGRAMS**

### **15.01 Benefit Program Coverage**

All regular employees working an average of 20 regularly scheduled hours per week and the employee's dependents shall be entitled to participate in the Court health plans which are currently administered by the Court. Coverage shall commence when the employee is eligible for coverage under PERS rules and the health plan carriers' rules. If the employee elects medical coverage, the employee must participate in a dental plan option and the vision insurance.

### **15.02 Medical, Dental and Vision Insurance**

The Court currently offers health, dental and vision insurance through CalPERS Health Insurance Program which is administered by the Court. Employees have a variety of PPO and HMO medical plans available through CalPERS, however the HMO's are available through zip code eligibility. Dental/Vision plan options include a basic plan and a buy-up plan. Once the selection is made, it will remain in force until the current calendar year-end and will automatically renew unless the employee makes a new selection during an open enrollment

period. Changes made during open enrollment will be effective January 1<sup>st</sup> of the next calendar year.

The Court will maintain health insurance through the CalPERS Health Insurance Program and make available all plans for which employees are otherwise eligible to participate in as employees of the Court, except as otherwise provided herein in subparagraph D below.

**A. Basic Plan**

The basic plan for determining the Court's contributions shall be the CalPERS Platinum PPO plan and Delta Dental Base Plan and MES Vision Plan.

**B. Court's Contribution for Employee**

The Court will pay 80% of the basic plan premium for Health / Dental / Vision for the employee plus one dependent and the employee plus more than one dependent.

**D. Level of Coverage**

Should a health benefit program become available that is comparable and cost-efficient to the existing Court-offered health, dental and vision plan, the Court may transfer employees out of the existing plan into the new plan after meeting and conferring with the Union.

**E. Opt Out Provision**

The cash benefit paid to employees who waive their health, dental and vision insurance as of this date shall be increased to \$350. Employees who elect to drop their health, dental and vision insurance after the effective date of this agreement shall receive the \$350 effective the month following the termination of their coverage.

### **15.03 Health Insurance Review Committee**

Upon request by the Union, the Court and Union agree to the formation of a committee composed of equal members from the Union and management, but no more than two members from each, to meet each year of the contract to review health insurance cost-containment measures and explore less expensive alternatives to the existing health insurance plans. The committee may also include a member from non-management unrepresented staff. The committee may prepare in writing any findings it makes and present them to the CEO.

The CEO agrees to review these recommendations and to provide a response to the committee regarding the recommendations. The Court and the Union understand that the Court is not obligated to implement any of the committee's recommendations.

### **15.04 Conditional Reopener**

If the Court and Union agree that changing providers is in the interest of the Court and the employees, the parties will reopen negotiations to only change provisions of the MOU as they relate to the designated health insurance provider.

### **15.05 Life Insurance**

The Court provides life insurance coverage in the amount of \$20,000 for employees represented by the Union.

## **ARTICLE 16 – RETIREMENT**

### **16.01 Retirement Formula**

Regular Court employees in the general bargaining unit shall be members of the Public Employees' Retirement System (PERS) as provided by law and the terms of the contract in effect between the County of Yuba, current plan administrator for the Court, and the Public Employees' Retirement System, which provides for a 2% @ 55 PERS formula for Classic members of PERS and a 2% @ 62 PERS formula for New members of PERS as of January 1, 2013.

### **16.02 Credit for Unused Sick Leave**

Court employees may convert unused accumulated sick leave at time of retirement to additional service credit at the rate of 0.004 year of service credit for each day of unused sick leave in accordance with the PERS formula. For policy and procedures regarding this provision, review [Section 18.14](#) of this MOU.

### **16.03 Pre-Retirement Optional Settlement 2 Death Benefit**

Effective January 1, 2007, Yuba County amended its Miscellaneous Employee contract with the Public Employees Retirement System (PERS), which covers Court employees, to provide the Pre-Retirement Optional Settlement 2 Death Benefit. This benefit provides that the spouse or domestic partner of a deceased member, who was eligible to retire for service at the time of death, may elect to receive the Pre-Retirement Optional Settlement 2 Death Benefit, which is the highest monthly allowance a member can leave a spouse or domestic partner, in lieu of the lump sum Basic Death Benefit.

### **16.04 Retiree Medical**

Per the parties' Addendum 2 agreement establishing Resolution No. 2021-3 with CalPERS to adopt vesting under Section 22893 of the Public Employees' Medical and Hospital Care Act for the Court General Bargaining Unit effective October 1, 2021 and for as long as the Court continues to contract with the CalPERS Health Program, the following terms of retiree medical payments apply:

- Employees must have no fewer than five years of service with the Yuba Superior Court.
- To qualify for these benefits, the employee's retirement date must be within 120 days of separation from employment;
- The employee must be eligible for health benefits upon separation;
- The employee must receive a monthly retirement allowance;
- The employee must retire from Yuba Superior Court; and
- Medicare-eligible retirees must enroll in the CalPERS Medicare plans.

Based on the vesting schedule below, the Court shall pay not less than the PEMHCA minimum toward applicable CalPERS retiree health benefit premiums for eligible bargaining unit employees:

Credited Years of Service	Percentage of Employer Contribution
10	50
11	55
12	60
13	65
14	70
15	75
16	80
17	85
18	90
19	95
20 or more	100

The Court's maximum contribution less the PEMHCA minimum for each annuitant will be the premium contributions as described in Government Code Section 22893(a)(1) for qualifying annuitants and dependents of the annuitant. At the time of ratification, these amounts were identified as the 100/90 Basic and Medicare Annuitant rates for annuitant only and annuitants with dependents.

## **ARTICLE 17 - VACATION LEAVE WITH PAY**

### **17.01 General Policy**

Vacation leave with pay shall be earned and accrued by regular employees based on the equivalent actual time worked, including authorized absence with pay.

### **17.02 Vacation Accrual**

#### **A. Vacation Leave Accrual**

Vacation leave begins to accrue the first day of the month in which the employee begins work.

#### **B. Effect of Leave Without Pay**

No vacation leave shall be earned when an employee is on leave without pay for half of a working month or more.

#### **C. Separation from Employment**

No credit shall be earned for less than a full final month's service when an employee separates for any reason.

### **17.03 Date of Appointment**

For purposes of this Article, the date of appointment shall be an employee's SAD as determined in Section 9.06a.

#### **17.04 Part-Time Employee**

A part-time employee shall accrue vacation leave in the proportion that their regularly scheduled hours of service compares to regular full-time service.

#### **17.05 Rates of Accrual**

Each regular full-time employee shall accrue and receive vacation leave based on the following as computed from their SCD:

<b>Length of Service</b>	<b>Number of Hours Per Month</b>
Date of hire through completion of 1 year	8 hours
More than 1 through completion of 5 years	10 hours
More than 5 through completion of 10 years	12 hours
More than 10 through completion of 15 years	14 hours
More than 15 through completion of 20 years	16 hours
More than 20 years completed	18 hours

#### **17.06 Maximum Accrual**

Vacation leave shall be accumulated to a maximum limit of 256 hours. The manager and employee shall, while considering the needs of the Court, schedule sufficient vacation to avoid the employee exceeding the maximum accrual by the end of the fiscal year (June 30.) Should the employee fail to request time off, the manager may schedule the vacation to the extent necessary to ensure the employee does not exceed the maximum accrual. In the event an employee goes over the maximum accrual as a result of vacation denial, the employee shall be compensated for all lost hours.

#### **17.07 Use of Vacation Leave**

**A. Vacation Leave Usage**

Vacation leave credit shall be available on the first day of the month following the month when vacation leave credit is earned. Employees may not use vacation time accrued during the first six months of their employment without prior written permission of the CEO. Within the first week of hire, a probationary employee may submit to Human Resources a request for vacation scheduled prior to hire date for review by the CEO.

**B. Scheduling Vacation Leave**

The manager shall determine the period when accrued vacation time may be taken by each employee consistent with the requirements of the department.

**C. Denial of Leave Request**

Denial of an employee's request for use of vacation leave must be based on business necessity.

**D. Last Day of Work**

Employees who are terminating their employment for reasons other than Court retirement (with no other employment) shall not use vacation as their termination date (e.g. requesting vacation to begin March 7 while actual termination date is March 13.)

**E. Re-Employment**

A person receiving pay in lieu of unused vacation may not be re-employed by the Court in any other capacity until a number of working days equal to the number of days the employee was paid for vacation have elapsed following the effective date of separation.

**17.08 Workers Compensation / SDI Exception**

An employee on Workers' Compensation or SDI may make an irrevocable choice before they exhaust their sick leave not to use their vacation to supplement their disability benefits. However, should the employee do so, they may not use their vacation until the employee has returned to work full time for one month, nor may the employee be eligible for donation of catastrophic leave (see Article 22, Leave of Absence Without Pay.)

**17.09 Minimum Charge**

In any use of vacation, the minimum charge to the employee's vacation account shall be one-quarter hour. Additional actual absence over one-quarter hour shall be charged to the nearest one-quarter hour and shall not exceed the employee's accrued vacation hours.

**17.10 Cash Compensation upon Separation of Court Service**

An employee whose employment is terminated for any reason shall be paid a sum equal to their accrued vacation leave. Such sum shall be computed on the basis of the hourly equivalent of such employee's monthly salary as of the date of separation of employment.

**17.11 Approval of Vacation Leave**

Approval of vacation time is dependent upon the following factors:

- The Court's workload requirements and business needs;
- The order in which the requests are received;
- Current or future vacation accrual balances.

**A. Requests**

Vacation requests must be made in writing on the approved Court form and must be approved in advance by the employee's manager. Requests may be submitted up to one calendar year in advance. (A calendar year is considered to be January 1<sup>st</sup> to December 31<sup>st</sup>.) An employee must either (a) have the vacation time requested accrued on the books prior to requesting vacation, or (b) have the ability to accrue the vacation time prior to the anticipated vacation date.

**B. Approval Rescinded**

If an employee with approved vacation expends all available leave balances prior to the approved vacation, the vacation approval for any time not covered by leave balance shall be rescinded. If the employee wishes to request leave without pay, they must submit an official leave without pay request form to their supervisor, who shall recommend approval or denial and submit the form to the

CEO, Deputy CEO (or designee) for final determination. Managers do not have the authority to approve leave without pay.

**C. Timeliness of Request**

The time-off request form must be submitted no later than the Friday prior to the requested vacation. In special circumstances, when a vacation of two days or less is requested, approval must be obtained no later than the business day before the requested vacation, unless a manager waives this requirement due to the circumstances. If an employee wishes to take less than eight hours off, a manager may approve this leave the same day as requested if the business needs of the Courts are met; however, this shall only be used for unusual situations and shall not be a routine practice.

**D. Multiple Requests**

During certain times of the year when numerous vacation requests are received, the possibility exists that not all requests can be granted. Where a conflict arises in which not all employee vacation requests can be approved for the same date(s), the operational needs of the Court shall govern. However, the manager shall consider whether any of the employees requesting vacation worked the prior year on the date(s) requested, and if so, the employees who previously worked will be given priority, on a first-come, first-served basis.

**E. Christmas Eve**

The Courts will determine the staffing requirement for December 24<sup>th</sup> during the early part of December so that as many employees as possible can plan to have that day off.

**F. Appeal of Denial**

A manager's denial or failure to act on a request for vacation may be appealed to the CEO, Deputy CEO (or designee) within fifteen calendar days of the date it was submitted or denied. The CEO, Deputy CEO (or designee) shall have five calendar days to respond.

**17.12 Sick Leave While on Vacation**

If an employee or a member of the employee's immediate family as defined in Section 18.02.1 and other family members in the discretion of the CEO or designee, becomes ill or injured during an employee's authorized vacation leave, the employee may apply to terminate their vacation and use sick leave or apply to convert their use of vacation to sick leave upon return to work. In order to exercise this option the employee must provide written verification that is satisfactory to the Court that demonstrates that had the employee been working the illness or injury would have qualified for the employee to use their sick leave accruals.

**ARTICLE 18 – SICK LEAVE WITH PAY**

**18.01 General Policy**

Sick leave with pay shall be earned and accrued by regular employees based on the equivalent actual time worked, including authorized absence with pay.

## **18.02 Definition**

- A.** The employee's illness or injury;
- B.** The employee's exposure to a contagious disease;

Employees are limited to one designated person per 12-month period.

### **18.03 When Sick Leave Begins to Accrue**

Sick leave begins to accrue the first day of the month in which the employee begins work.

### **18.04 Part-Time Employee**

A part-time employee shall accrue sick leave in the proportion that their regularly scheduled hours of service compares to regular full-time service.

### **18.05 Rate of Accrual**

Sick leave shall be earned and accrued without a maximum limit and shall be earned as follows:

- A. Full-Time Employee**  
Each regular full-time employee shall accrue sick leave with pay at the rate of eight hours per month.
- B. Part-Time Employee**  
A part-time employee shall accrue sick leave in the proportion that their regularly scheduled hours of service compares to regular full-time service.

**C. Leave Without Pay**

No sick leave credit shall be earned when an employee is on leave without pay for half of a working month or more. No sick leave will be earned for less than a full final month's service when an employee separates for any reason.

**18.06 Use of Sick Leave**

**A. Earned Accruals**

Sick leave accruals may be used in accordance with the provisions of this MOU once they are earned. Sick leave accruals earned on the last day of the month are available for use the first of the following month.

**B. Determination of Usage and Return to Work**

Sick leave usage and ability of an employee to return to work shall be determined by Court rules, regulations, and procedures regardless of determinations made by the State of California under the State Disability Insurance (SD) or Worker's Compensation (WC) program.

**C. Return to Work**

An employee shall return to work as soon as he recovers from an illness or injury including the return to a work day in progress.

**D. Reporting Absences Due to Illness / Injury**

**1. Notification**

Employees who are too ill or injured to work are required to contact their manager before the beginning of their work shift, if feasible, but no later than within the first hour of work. Managers or designees shall have the option of instructing employees to either leave a message for the manager or a department designated contact person. If a message is left, it shall include a call-back number for any follow-up information.

**2. Call-In Waiver**

An employee that has been directed by a medical professional to remain off work for more than one day shall not be required to report their absence each day, if they have provided acceptable documentation to the Court verifying the attending medical professional's directions.

**3. Required Information**

An employee may be required to provide sufficient information of the need for and use of sick leave to determine if leave requested is legitimate and/or qualifies for FMLA / CFRA leave.

**18.07 Minimum Charge**

In any instance involving use of a fraction of a day's sick leave, the minimum charge shall be one-quarter hour. Additional actual absence over one-quarter hour shall be charged to the nearest one-quarter hour and shall not exceed the employee's accrued sick leave hours.

**18.08 Workers Compensation/SDI Exception:**

An employee on workers' compensation or SDI may make an irrevocable choice before they exhaust their sick leave not to use their vacation to supplement their disability benefits. However, should they do so, they may not use their vacation until they have returned to work full time for one (1) month, nor may they be eligible for donation of catastrophic leave. (Refer to [Article 19 Catastrophic Leave](#)).

## **18.09 Recovery of Overpayment; Sick Leave Usage in Conjunction with SDI / WC**

### **A. Supplement to SDI / WC**

For employees covered under the State Disability Insurance (SDI) program or Worker's Compensation Program (WC), sick leave may be used to supplement these benefit payments. In no instance, however, shall the combination of SDI, WC, sick leave, or other Court benefit payments exceed one hundred percent of the employee's monthly salary calculated on an hourly, weekly, bi-weekly, or monthly basis.

### **B. Notification of Overpayment**

Employees are required to notify the Court Human Resources Manager within five business days upon receipt of benefits so that the benefits can be integrated. In some cases, due to delays in receiving checks under WC or SDI, employees may be overpaid. When this occurs, employees must make arrangements to pay back the overpayment within five business days unless the employee's condition prevents this. Failure to make arrangements to pay back the overpayment violates Court rules. Accordingly this may result in the Court taking progressive disciplinary action up to and including termination from employment.

### **C. Voluntary Repayment**

If an employee voluntarily makes arrangements for repayment prior to notification of disciplinary action, the Court may agree to limit their repayment to 10% of their gross pay each month, or a more substantial amount agreed upon, until the total amount is repaid.

## **18.10 Exclusions**

No employee shall be entitled to sick leave while absent from duty on account of any of the following cases:

- A.** Sickness or injury sustained while on leave of absence without pay;
- B.** Sickness or injury purposely self-inflicted or caused by willful misconduct;
- C.** Subsequent to a determination by the Public Employees' Retirement System that a sickness or injury qualifies an employee for disability retirement.

## **18.11 Proof Required**

The manager may require the employee to submit substantiating evidence for sick leave use including but not limited to a physician's certificate. The request for substantiating evidence may be made prior to the employee's return to work. Employees taking three or more consecutive sick leave days in a week must obtain a medical release to return to work. If the manager does not consider the evidence adequate, they may deny the request for sick leave.

## **18.12 Sick Leave While on Vacation**

If an employee or a member of the employee's immediate family as defined in Section 18.02.1 and other family members in the discretion of the CEO or designee becomes ill or injured during an employee's authorized vacation leave, the employee may apply to terminate their vacation and use sick leave or apply to convert their use of vacation to sick leave upon return to work. In order to exercise this option the employee must provide written verification that is satisfactory to the Court that demonstrates that had the employee been working the illness or injury would have qualified for the employee to use their sick leave accruals.

### **18.13 Loss of Sick Leave**

#### **A. Continuity of Employment**

Any employee whose continuity of employment is broken for any reason other than Section 18.14 below shall lose their entitlement to any sick leave which the employee has accrued.

#### **B. Re-Employment**

When an employee is re-employed from a re-employment list after a break in service resulting from lay-off, such employee shall be credited with any sick leave which they had accumulated prior to such break in service. In addition, the prior service of such employee shall also be counted for purposes of vacation entitlement.

### **18.14 Conversion of Unused Sick Leave for CalPERS Service Credit Upon Retirement**

- A.** For Court employees hired on or before August 19, 1986 who have ten (10) continuous years of permanent employment with the Court, upon separation of employment by death or retirement in accordance with provisions of the Public Employees Retirement Law, as amended, or by resignation or layoff, an employee shall be paid a sum equal to 25% of their earned sick leave computed on the basis of the hourly equivalent to such employee's monthly salary as of the time of death, retirement, lay-off or resignation.
- B.** Court employees hired after August 19, 1986 are covered through the Yuba County contract with CalPERS to provide Section 20965 Unused Sick Leave. In accordance with provisions of the Public Employees Retirement Law, as amended, employees retiring may elect to:

  - 2.** If the retiring employee has 10 continuous years of permanent employment with the Court/County, upon retirement the employee may elect to receive up to 25% of their unused sick leave as pay at the regular rate of pay in accordance with subsection A above and convert the remaining balance of unused sick leave to service credit.

## **ARTICLE 19 – CATASTROPHIC LEAVE**

Permanent employees of the Court may be entitled to receive donated vacation and/or sick leave hours from other Court employees based on the following criteria:

### **19.01 Review of Case**

Each case will be reviewed individually on its merits and either approved or rejected based upon the principal criteria that the purpose of the catastrophic leave is to attempt to (1) ensure that the employee's medical coverage continues without interruption and (2) provide continued salary for these catastrophic incidents. A recipient employee may submit a written request on their own behalf to the employee's manager, the Deputy CEO or the CEO specifying the reasons and circumstances surrounding the request.

#### **B. Co-Worker Request**

### **19.04 Approval of Request**

If the request is approved, the employee desiring to donate time (donor) shall complete the appropriate form as set forth in 4 below.

### **19.05 Procedure For Donating Hours**

The following procedure shall be used for donating hours:

#### **A. Donor**

An employee wishing to donate time to another Court employee shall:

#### **19.10 Restriction on Recipient's Accruals**

When a recipient employee is utilizing donated hours, they will not accrue additional vacation or sick leave time.

#### **19.11 Effect on Employment Rights**

In no event shall donated time have the effect of altering the employment rights of the Court or the recipient employee, nor shall it extend or alter the limitations otherwise applicable to leaves of absence or sick leave.

#### **19.12 Voluntary Donation**

It is understood that the donation of leave time is strictly voluntary. Information regarding the approval and option to donate shall be made available to employees through Human Resources who will issue written notice to all employees when an employee is authorized to receive leave donations.

#### **19.13 Solicitation Prohibited / Confidentiality**

Solicitation or other pressure to require employees to donate from their leave balances shall be strictly prohibited, and all donations shall remain confidential.

If such leave is requested because of illness or injury of an employee, such employee shall also utilize all accrued sick leave before taking such leave of absence.

### **22.02 Workers Compensation/SDI Exception**

An employee on Workers' Compensation or SDI may make an irrevocable choice before they exhaust their sick leave not to use their vacation to supplement their disability benefits. However, should they do so, they may not use their vacation until they have returned to work full time for one (1) month, nor may they be eligible for donation of catastrophic leave. (Refer to [Article 19 Catastrophic Leave](#).)

### **22.03 Impact of Leave of Absence Without Pay**

#### **A. Leave Accrual**

Employees granted a leave of absence without pay in excess of 15 calendar days shall not accrue any annual vacation or sick leave benefits during the period of such leave.

#### **B. Health/Dental/Vision and Life Insurance**

Employees granted a leave of absence without pay shall be entitled to maintain any Health/Dental/Vision or Life Insurance program in effect; provided that the cost of all such insurance shall be borne solely by the employee. Eligible employees shall self-pay the premiums under the provisions of COBRA, and subject to CalPERS Direct Pay procedures as applicable. Exception: in the case of an employee on non-paid leave of absence caused by a job-related injury or illness, the Court will continue to pay the Court's portion of the insurance premiums if, at the time the employee went out on worker's compensation, they had a sick leave balance of 192 hours or more. The employee will be exempt from the accrual requirement if they can demonstrate they would have had the 192 hours had it not been for a serious injury or illness requiring the use of sick leave in excess of 4 weeks (160 hours) at one time

#### **C. Seniority**

Seniority credit will not be earned for any period during which the employee did not receive compensation unless the employee is on a non-paid leave of absence caused by a job-related injury or illness. (Refer to [Section 29.02 Lay-Off List Computation Seniority Defined](#) of this Agreement.)

#### **D. Probationary Period**

The granting of any leave of absence without pay exceeding 15 calendar days

shall cause the regular employee's probationary period to be postponed a number of months equal to the nearest whole number of months for which the leave was taken. All such calculations shall be based on the number of calendar days of such leave. (Refer to [Section 27.04 Postponement of Probationary Period](#) of this Agreement.)

**E. Service Computation Date (SCD)**

A regular employee's Service Computation Date will be adjusted by one day for each 8-hour increment of LWOP.

**22.04 Official Leave Without Pay**

Initially, an official leave of absence may be authorized for any regular employee for a period of time in **excess** of 15 calendar days but not to exceed 1 year. An official leave of absence without pay may be extended for an additional year provided that the request for the extension is processed in the same manner as the original request and is made at least 10 days prior to the end of the originally authorized leave.

**A. Request and Approval or Denial**

A request for an official leave of absence shall be made upon forms prescribed by the Court and shall state specifically the reasons for the request; the date when it is desired to begin the leave of absence; and the probable date of return. The request shall normally be initiated by the employee, but may be initiated by their manager. In the event that an employee is physically incapacitated and, as a consequence, unable to request a leave of absence, their spouse or immediate next of kin may request such leave. The manager shall indicate on the request form their recommendation as to whether the request should be granted, modified, or denied and shall promptly transmit the request to the Deputy CEO (or designee). If the Deputy CEO (or designee) concurs in the request, they shall deliver a copy to the Human Resources Manager. If the Deputy CEO (or designee) does not concur in the request, the request for an official leave of absence will be forwarded for review to the CEO. The CEO shall determine whether the request shall be approved or denied. If the CEO concurs with the Deputy CEO (or designee) that the request be denied, it is denied.

**B. Return to Work after Leave Without Pay**

Human Resources shall be promptly notified by the manager of the return of an employee from an official leave of absence.

**C. Filling Vacant Position**

When a regular position is vacant due to an official leave of absence, the position may be filled for the length of that leave, and any extension thereof.

**22.05 Failure to Return from Authorized Leave of Absence**

Failure of an employee to return upon termination of an authorized leave of absence shall be considered as an automatic resignation. Such resignation may be rescinded by the manager if the employee presents satisfactory reasons for the absence within 3 days of the date the resignation became effective.

## **ARTICLE 23 – AWOL / Tardy**

Employees are expected to report to work in sufficient time to begin work at their designated start time and to return to work promptly from their break and lunch periods. Should an employee be tardy without authorization, their time sheet shall reflect that they were Absent Without Leave (AWOL) for the amount of time they were tardy. It is understood that flexibility is in the interest of both the Court and the employee; however, should the employee's position require prompt arrival or return to work; or the employee's tardiness becomes excessive or abuse; progressive discipline may be imposed.

**A. Absent Without Leave**

Employees determined to be Absent Without Leave (AWOL) will be charged Leave Without Pay (LWOP) and will not be required to use vacation hours.

**B. Quarter Hour Increments**

Leave Without Pay will be charged in quarter hour (1/4) increments for any part of each quarter hour an employee is AWOL.

**C. Approval**

The employee's leave accruals shall not be charged due to tardiness unless requested by the employee and approved by the Deputy CEO, or the CEO (or designee). Such approval is completely at the discretion of the Deputy CEO or CEO (or designee).

## **ARTICLE 24 - PROTECTED LEAVES**

The Court recognizes and complies with the Family and Medical Leave Act (FMLA Leave), California Family Rights Act (CFRA) and California Pregnancy Disability Leave (PDL) as mandated by Federal or State law.

If an employee feels they are entitled to a leave, they should contact the Court Human Resources Manager for the appropriate paperwork. The leaves will run concurrently where applicable.

### **24.01 Integration of SDI**

A. An employee who has been removed from work by their healthcare provider due to a non-industrial injury or illness may choose to integrate sick leave and vacation pay with State Disability Insurance (SDI) benefits. Integration is optional. An employee who wishes to integrate benefits shall make a timely application to the California Employment Development Department (EDD) for temporary disability benefits. During any waiting period required by SDI, currently seven (7) days, employees may elect to use their sick leave accruals.

B. The Court will continue to pay the employer share of the monthly premium for medical, dental, vision, and life insurance coverage on behalf of a qualified regular full or part-time employee receiving temporary disability benefits through State Disability Insurance (SDI), for the period of time that the employee remains on an approved FMLA/CFRA leave. Upon the expiration of the employee's FMLA/CFRA leave time, the Court will continue to pay the employer share of the monthly premiums on behalf of a qualified full or part-time employee who has and uses leave accruals to fully integrate their time by using SDI benefits.

C. An employee's pay, including leave accruals and SDI benefits shall not exceed the employee's regular gross pay. For this section, gross pay is defined as regular base pay, bilingual differential, longevity compensation, and real-time pay, as applicable. Upon exhaustion of sick leave, other accumulated leave may be integrated with SDI, at the employee's request. It is the employee's responsibility to provide Court Human Resources staff with a copy of their SDI check stub in a timely manner to ensure benefits are integrated accurately.

4. Service credit toward longevity compensation and seniority eligibility shall not be affected in any pay period during which an employee received both Court paid leave and SDI. However, an employee's service credit date may be impacted with CalPERS if fewer than 1720 hours (10 months) have been entered for a service year.

5. An employee will also have the option to elect to use enough accrual hours to cover the employee's portion of their health premiums. This may put them in a partial leave without pay (LWOP) status which could impact their service credit date with both the Court and CalPERS, and may affect their leave accrual rate.

6. If an employee elects not to integrate SDI with leave accruals, they will be considered in a partial or full LWOP status, and for any period in which they are not also in FMLA/CFRA leave status may be subject to the terms of COBRA and Direct Pay as described in Article 22 Leave of Absence Without Pay.

7. Sick leave and vacation shall accrue during any pay period in which an employee is on leave pursuant to FMLA/CFRA and is receiving SDI benefits while integrating leave accruals equivalent to fully paid status.

## **ARTICLE 25 – OFFICE CLOSURE AND WORK CESSATION**

### **25.01 Authority of the Chairperson of the Judicial Council**

Government Code § 68115 outlines actions which may be taken by the Chairperson of the Judicial Council to close courts and/or move court proceedings in situations of war, insurrection, pestilence or other calamity.

### **25.02 Unscheduled Closures**

#### **A. Local Court Authority**

In the event of a loss of electrical power or circumstances justifying the unscheduled closure of the Court facilities or the unscheduled cessation of work, any decision to close the Yuba County Superior Court work site(s) may be made by the Presiding Judge, Court Executive Officer or designee, but in no event will employees be required to remain at the workplace if to do so would jeopardize individual health or safety.

#### **B. Short Duration Outages**

Employees must remain at work if electrical outages or cessation of work are one to two hours in length during the regular work schedule, unless to do so would jeopardize employee health or safety or unless the Presiding Judge, Court Executive Officer or designee decides the Court should be closed immediately. In buildings without generators, alternate lighting sources such as battery lanterns, light sticks, etc. will be used. If service to the public cannot be

reasonably provided after two hours, the Presiding Judge, Court Executive Officer or designee may make the decision to close a building to the public, deploy the employees to generator-powered buildings, or to send employees home.

**C. Closure Conditions and Criteria**

If In the event that it is no longer possible to perform work duties at the current or another departmental work site, and the Presiding Judge, Court Executive Officer or designee, determines it is necessary to temporarily halt work or close the work site, the following information should be considered and communicated to employees prior to excusing them from work:

**1. Meal Period Adjustment**

If circumstances giving rise to the Presiding Judge's, Court Executive Officer's or designee's decision occurs within two hours of the regular meal period (generally, but not always, defined as Noon to 1:00 p.m.) for employees working at the affected work site, supervisors and managers are expected to keep the worksite open, but are encouraged to allow employees to take a meal break. If a manager chooses to send employees to lunch early due to a work stoppage, employees should be informed to return to their work site immediately following completion of their meal break. In these situations, meal breaks should be neither shorter nor longer than the employee's normal assigned meal break except as agreed to between the Presiding Judge, Court Executive Officer or designee and the affected employee.

**2. Ready and Available**

Regular employees who are sent home shall be paid for the balance of their regular work day; however, such employees shall remain ready and available to be called back to work by their supervisor for the duration of their regular work day should such a circumstance arise. If an employee who has been called back cannot return to work due to an extenuating circumstance, the employee will be charged the appropriate leave time from the time of call back until the end of the employee's regular shift.

**3. Leave Pending Closure**

Employees who seek approval to leave work to care for persons or property without having been ordered to leave due to the office closure in accordance with this policy shall use appropriate leave time for time off. If the Presiding Judge, Court Executive Officer or designee subsequently close the employee's work site and no alternate site is chosen, the employee will be charged leave time for the period of time between their leaving the work site and the time of closure.

**4. Following Day Return to Work**

Unless personally notified otherwise by a supervisor or manager, regular employees who are sent home and who are not called back to work that day will be expected to return to work at their regularly scheduled work time on the next scheduled workday.

**5. Multiple Day Closure**

If the work site closure or work stoppage extends beyond the first work day of closure, employees are expected to remain ready and available for assignment to their original or another Court work site as quickly as possible.

6. **Closure While on Leave**  
Employees who requested leave in advance of a workday closure such as previously scheduled vacation, sick time or other leave shall have their pre-selected leave balances charged accordingly.
  7. **Employees Working Alternate Schedules**  
Employees scheduled to start work at any time after the decision has been made to close a Court worksite or have temporary work stoppage shall be notified as soon as possible by their supervisors or designee that they need not attempt to come to work that day. These employees shall be provided "paid leave" for their regular hours that they were unable to work. This paid leave will not be charged against an employee's sick leave, vacation leave, or CTO balances. Employees are expected to remain ready and available for assignment to their original or another Court work site as quickly as possible.
  8. **Vacation Call Back**  
Time spent on paid vacation shall not be counted as time worked for purposes of computing overtime except:
    - a. When an employee is required to work overtime for an emergency situation or unscheduled work cessation of work after taking a scheduled vacation in that work week, that vacation time shall be counted as time worked for overtime purposes in that week.
    - b. When an employee is called back from vacation to perform work related to the event or events giving rise to the worksite closure or temporary work stoppage.
    - c. When an employee is called in to work on a regular day off.
- D. Vacation Hours In Lieu of Release**  
Whenever an employee is required to work during the period that the facility to which they are assigned has been closed or the work that the employee normally performs has been temporarily halted, such employee shall receive additional vacation hours equal to the hours they were required to work during the closure/work stoppage. This section specifically does not apply to circumstances where all the employees assigned to the worksite are temporarily reassigned to another worksite.

- A. In Lieu of Layoff Displacement and Re-employment Order**

Any person who is laid off or displaces into another class because of temporary or permanent abolishment of their position shall have their name placed on the re-employment list for the class from which they have been laid off. When a vacancy occurs in a classification for which a re-employment list exists, the entire list of eligible individuals will be certified to the Manager seeking to fill the vacancy. The Manager shall re-employ the eligible person with the most Court seniority that was laid off from their division and is actively seeking re-employment. Should there be no eligible person on the list that was laid off from the hiring division, the Manager shall re-employ the eligible person with the most Court seniority who is actively seeking re-employment. **ARTICLE 31 - DISMISSAL, SUSPENSION, REPRIMAND, DEMOTION AND RIGHT OF APPEAL**

**31.01 Purpose/Progressive Discipline**

**A. Purpose**

The purpose of discipline is to administer equitable and consistent discipline to correct unsatisfactory conduct in the workplace. The Court’s own best interest lies in ensuring fair treatment of all employees and in making certain that disciplinary actions are prompt, uniform, and impartial. The major purpose of any disciplinary action is to correct the problem, prevent recurrence, and ensure satisfactory work performance and conduct in the future.

**B. Definition**

Progressive discipline generally involves taking the following steps to correct work performance or conduct: a letter of reprimand to ensure the employee understands the Court’s expectations; a suspension without pay if an offense of a similar nature occurs; and a more serious suspension, demotion or termination of employment if a further offense occurs or work performance continues to be unsatisfactory. Progressive discipline may not be appropriate if a serious offense is committed by the employee.

### **31.02 Regular Employees - Disciplinary Action and Notice**

Any regular employee may be reprimanded, suspended, demoted or dismissed by the CEO or designee. The procedures outlined below shall be adhered to in all instances where said action(s) is/are contemplated.

#### **A. Formal Written Reprimand**

1. When an employee receives a formal written reprimand from a Manager, the employee has 10 work days after receipt of the letter to file a written and/or oral response to the letter with the Manager. The employee's response will be considered by the Manager. If it is demonstrated that any part of the formal written reprimand is inaccurate or not factually supported it will be modified, amended, or revoked. The Manager may modify, amend, or revoke any part of the formal written reprimand that they believe does not objectively represent the factual circumstances. Unless revoked completely, the formal written reprimand as amended or modified by the Manager along with any written response shall be placed in the employee's permanent personal history file. The written reprimand and response shall remain in the employee's file for a period not to exceed two (2) years from the date the final reprimand was issued.
2. After review by the Manager, the employee has 10 work days to request review by the CEO or designee. If the CEO or designee determines that any part of the formal written reprimand is inaccurate or not factually supported, it will be modified, amended, or revoked. Any amended or modified formal written reprimand shall be placed in the employee's permanent personal history file for a period not to exceed two (2) years as set forth in 1 above.

#### **B. Suspension, Demotion or Dismissal**

Before taking more serious disciplinary action, the Manager must contact and discuss such action with Court HR.

#### **C. Notice of Intent**

After the discussion in Paragraph B, a Manager who concludes that suspension, demotion or dismissal is justified shall notify the affected employee in writing of the proposed action by serving the employee with a Notice of Intent. Such Notice shall include: the factual support for the charges and material on which the charges are based and the right to respond to the CEO or designee. Said notice must be served on the employee at least 10 work days before the effective date of the intended action. At the same time, service shall be made to UPE.

#### **D. Paid Administrative Leave**

Prior to the written notice and until a final decision is made regarding the employee's job status, the Court reserves the right to immediately remove an employee from the workplace for irrational or improper behavior and place the employee on paid administrative leave. The reviews and notices required shall be served on the employee as soon as possible after the employee is placed on such leave. At the same time, service shall be made to UPE.

**E. Written Notification**

All directives and decisions shall be served on the employee by personal service if impossible. If personal service is not possible, such communications shall be sent by registered mail to the employee at their last known address. At the same time, service shall be made to UPE.

**F. Administrative Hearing**

Employees appealing without the assistance of the Union are responsible for their own representation during the entirety of the appeals process, including all costs and fees associated with the Hearing Officer. By filing an appeal without the assistance of the Union the employee affirmatively waives their right to Union representation in all matters relating to the discipline. UPE shall also have the right to appeal on behalf of an employee who is subject to disciplinary action pursuant to the same time period, 15 working days. The Court will pay for the cost of obtaining the list of arbitrators. The party to strike the first name shall be selected by lot. The parties to the hearing may directly select a neutral third party to hear the matter and render a decision. The employee

Written findings and recommendations shall be forwarded by the Hearing Officer to the Court, the employee and the employee's representative.

#### **C. Modification of Hearing Officer's Recommended Decision**

If the Court modifies or rejects the Hearing Officer's recommended decision, the Court shall specify the reason or reasons why the recommended disposition is rejected in a written statement, which shall have direct reference to the facts found and shall specify whether the material factual findings are supported by

substantial evidence. The Court may reject or modify the recommendation of the Hearing Officer only if the material factual findings are not supported by substantial evidence, or for any of the following reasons or reasons of substantially similar gravity or significations:

Should a request for review be necessary, the CEO or designee shall meet with the employee or their representative to determine if the parties can mutually agree upon an impartial third party to conduct such review. If the parties are unable to agree upon an impartial third party, they shall mutually request the services of a State Mediator through the State Department of Mediation and Conciliation Services. The decision of the of the third party or State Mediator shall be final and binding.

Such review by that court shall be based upon the entire record. If required by the writ procedure and if not previously provided to the disciplined employee, the disciplining court shall furnish a certified copy of the record of the proceedings before the Hearing Officer to the disciplined employee or if the employee is represented, to such representative without charge. The reviewing court shall be bound by the Hearing Officer's material factual findings that are supported by substantial evidence. The denial of due process or the imposition of a disciplinary decision requiring a due process hearing may also be challenged by a petition for a writ of mandate.

## **ARTICLE 32 - GRIEVANCE PROCEDURE**

### **32.01 Purpose**

The grievance procedure is intended to provide employees a means to have their grievance heard in a fair, clear, and expedient manner. At the same time, supervisors and managers must be given an opportunity to address the specific grievance at the lowest possible level.

### **32.02 Definition**

A grievance may be filed by an employee if an action taken by management is in direct violation of the express terms of this MOU or if the actions of a representative of the Court adversely affects the terms or conditions of employment. Excluded from the grievance procedure are:

- A.** Employees are entitled to Union representation or a representative of their choice at any level of the grievance process.
- B.** Employees are entitled to reasonable release time at each level of the grievance process to prepare and present the grievance.
- C.** Timeliness: The timelines set forth herein may be extended by mutual consent to the parties.
- D.** If the response deadline falls on a weekend or holiday, the response is due before the close of business the following work day.

### **32.04 General Procedures**

#### **Step 1:**

All grievances must be filed initially with the employee's Supervisor either orally or in writing within 15 calendar days of (a) the situation used as the basis of the grievance or (b) from the date the employee should have reasonably been aware of the situation used as a basis for the grievance. The employee must clearly state the date, time, and all other circumstances giving rise to the grievance, as well as the remedy being sought.

The Supervisor shall provide a written response to the employee within 15 calendar days of the date on which the grievance was filed. The Supervisor will (a) respond to all issues presented in the grievance, and (b) indicate whether the requested remedy is granted, offer an alternative remedy or deny the remedy being sought. An explanation will be provided to the employee if the Supervisor denies the employee's requested remedy.

If the Supervisor fails to provide a response within 15 calendar days of receipt of the grievance, the employee may present the grievance to the Operations Manager or designee.

**Step 2:**

If the grievance is not resolved at Step 1, and is submitted to the Operations Manager or designee, the Operations Manager or designee will review the original grievance and Supervisor's response. After considering the documents and facts related to the original grievance, a meeting may be held to clarify any relevant facts or information. The Operations Manager or designee shall then render a written decision within 15 calendar days of the date on which the grievance was filed at Step 2. The response will include the Operation Manager's or designee position regarding the issues presented in the grievance, and whether the requested remedy is granted, an alternate remedy is offered to the employee or that the employee's requested remedy is denied.

If the Operations Manager or designee fails to provide a response within 15 calendar days of receipt of the Step 2 grievance, the employee may present the grievance to the CEO.

**Step 3:**

If the grievance is not resolved at Step 2, and is submitted to the CEO, the CEO will review the original grievance and Operations Manager's or designee response. After considering the documents and facts related to the original grievance, a meeting may be held to clarify any relevant facts or information. The CEO shall then render a written decision within 15 calendar days of the date on which the grievance was filed at Step 2. The response will include the CEO's position regarding the issues presented in the grievance, and whether the requested remedy is granted, an alternate remedy is offered to the employee or that the employee's requested remedy is denied.

**Step 4:**

1. If the response of the Court Executive Officer or designee is not satisfactory to the UPE, the UPE shall have the right to refer the matter to binding arbitration. Such referral shall be made by written demand submitted to the Court Executive Officer or designee within ten (10) working days of receipt of their decision.

2. Parties shall select an arbitrator as follows:

a. An impartial arbitrator shall be selected jointly by the parties within ten (10) workdays of receipt of the written demand.

b. In the event the parties are unable to agree on an arbitrator within the time stated, the parties shall solicit from the State of California Mediation/Conciliation Services a list of seven arbitrators.

c. After receipt of the list, the parties shall alternately strike arbitrator's names from the list until one arbitrator's name remains.

d. If an arbitrator selected declines appointment or is otherwise unavailable, a new list shall be requested as per Subsection b, above, and the selection shall be made.

e. The fees and expenses of the arbitrator shall be shared equally by the parties.

f. The fees and expenses of a court reporter shall be shared equally by the parties.

3. The decision of the arbitrator shall be final and binding.

4. The arbitrator shall have no authority to add to, delete or alter any provision of this Agreement nor shall the arbitrator substitute their discretion in any case where the Court is given or retains such discretion. The arbitrator shall limit their discretion to the application and interpretation of the provisions of this Agreement. This subsection does not authorize the Court to exercise its discretion in an arbitrary or capricious manner.

### **32.05 External Enforcement**

Nothing contained herein shall preclude the Union from filing a Writ of Mandamus or other court pleading to seek the enforcement or application of the terms and conditions set forth in the MOU.

## **ARTICLE 33 - SAVINGS CLAUSE**

If any provision of this MOU shall be held invalid by operation of law or by a court of competent jurisdiction, or if compliance with or enforcement of any provision shall be restrained by any tribunal, the remainder of this MOU shall not be affected thereby, and the parties shall enter into negotiations for the sole purpose of arriving at a mutually satisfactory replacement for such provision or provisions.

## **ARTICLE 34 – ADDITIONAL TERMS**

### **34.01 Coffee and Tissue**

The court will provide regular caffeinated coffee and face tissue for use by all Court employees.

## **ARTICLE 35 – HEALTH AND SAFETY**

The Court agrees that as soon as practicable upon ratification of this agreement, that water service will be supplied and made available to Court employees.

## **ARTICLE 36 - MISCELLANEOUS**

During the term of this MOU, neither the Court nor its agents for any reason shall authorize, institute, aid or promote any lockout of employees covered by this MOU.

The Union agrees to notify all local officers and representatives of their obligation and responsibility for maintaining compliance with this Article, including their responsibility to remain at work during any interruption which may be caused or initiated by others and to encourage employees violating this section to return to work.

The Court may discharge or discipline any employee who violates this MOU and any employee who fails to carry out their responsibilities under this MOU.

Nothing contained herein shall preclude the Court from obtaining judicial restraint and damages in the event of a violation of this MOU. All economic benefits and work practices which are not set forth in this MOU and are currently in effect shall continue until such time as management provides the Union with an alternative proposal and completes the meet and confer process as required by law.

Neither party shall be obligated to meet and confer with respect to any subject or matter not specifically referenced in this MOU, even though such subjects may not have been with the knowledge or contemplation of either or both parties at the time they signed this MOU, unless required by state or federal law. Nothing herein shall preclude the parties from meeting or conferring by mutual consent. In the event that the Court implements night court, UPE will meet and confer with the Court regarding impacts and compensation.

It is our sincere hope that this MOU will provide the incentives for our highly trained and dedicated personnel to continue to serve the public for years to come. Therefore, Court representatives, and the designated representatives of the United Public Employees, acting on behalf of its members, hereby confirm understanding on the above matters.
